on a party line is largely
dependent upon the co-
operation of the sub-

No subscriber should
use a party line for long
periods of time, to the
total exclusion of others.
The Company encourages
party line subscribers to
limit their conversations

FRANK KRYL AND HIS BAND COMING HERE CHAUTAUQUA WEEK

FRANK KRYL and his band will
give two concerts on Band Day
Chautauqua week, one in the after-
noon and one in the evening. Mr.
Kryl, besides being director of this
band, is also soloist on the French
horn. He was educated in music in

the Musical Conservatory of Prague.
He has been in this country some
twenty-five years, during which time
he has played in all the leading cities
of America.

For some time Mr. Kryl was with
the well known Innes Band. Later

he played at the Chicago World's Fair
and at every great exposition since. In-
cluding the recent one in San Fran-
cisco. He has played the French horn
in the Chicago Symphony Orchestra,
of which Frederick Stock is director,
for years; also with Dr. Knudsen of

the well known Cincinnati Orchestra.
Frank Kryl is a brother of Bohumir
Kryl, the widely known band leader
and cornetist and, like him, has made
music his life work. When a mere
boy he made his first violin from a
cigar box.

In the Chautauqua program of this
season Mr. Kryl plans to have some
of the finest chimes ever carried by a
band. There will also probably be a
French horn quartet. Mr. Kryl was
once himself a member of a French
horn quartet which played before

President Palma of Cuba. Mr. Kryl
will also play solos upon the French
horn, accompanied by the band.
Among other soloists in this band
this season will be James Hurt, known
as one of the best xylophone players
in this country.

FANCY HATBANDS IN FAVOR.

Some of the Pretty, Frivolous Things
That Appear This Season.

Fancy adjustable hatbands are a fea-
ture of the new millinery and appeal
to the woman whose longing for va-
riety is hampered by a limited purse.
They furnish an excellent means of
introducing daring touches of color in
an otherwise dark street costume and
are adaptable to the stiff crowned, nar-
row rimmed models as well as to the
soft sports hats of felt and tulle for
which they were originally designed.

Plain colored ribbons in the new
bright shades as well as in striped and
checked effects, combining two colors
in sharp contrast, are the most used
for adjustable hatbands. Many of
these are so woven as to pass for
band knitted bands and have a con-
venient elasticity which makes them
easily adjustable to any size crown.
Others are of a stiff ribbed silk similar
to beading and fasten under the narrow
of tailored bows.

Double faced ribbons, showing a dark
shade on one side and a vivid coloring
on the other, are among the most sat-
isfactory for fancy hatbands, as they
are capable of almost endless variety
in adjustment.

Cut Your Store Bill Down One Half

Tens of thousands of farmers as well as
town and city folks cut down their store
bills one-half last year and saved money
in spite of generally short crops and re-
duced wages.

Absolutely millions of dollars were
saved and countless families lived better
than ever before in the face of the cotton
crisis and general business depression.

How were these burdensome store bills
cut down? By the real money-saving
power of good home gardens, rightly
planted and kept planted and tended
through the season.

Hastings Seed Catalogue tells how to
cut store bills down; tells about gar-
den and farm seeds of kinds and a quality
that cannot be bought from your mer-
chant or druggist. It's full of garden and
farm information. It's free if you ask
for it. Write for it now. H. G. HASTINGS
